Special Colloquium in Honor of Ned Hettinger’s retirement

The Anthropocene: Love it or Leave it

Dale Jamieson
Professor of Environmental Studies and Philosophy at New York University

Tuesday, March 15th 2016
3:15 PM
Alumni Center
(Inside the School of Education, Health, & Human Performance—86 Wentworth Street)

Prof. Jamieson is a prolific author whose most recent academic works are Reason in a Dark Time: Why the Struggle to Stop Climate Change Failed—and What It Means For Our Future (Oxford, 2014) and Love in the Anthropocene (OR, 2015), a collection of short stories & essays written with the novelist, Bonnie Nadzam.

Jamieson will be signing copies of his books (available for purchase) after the talk.
